WHITE ONYX

Technical Details

TINO NATURAL STONE

WHITE ONYX

Natural Stone (Onyx) of crystalline white colour and semiprecious background.

Its aesthetics and color tone make this stone an ideal product for interior design and applications in bathrooms, kitchens, countertops, showers, etc.

Its enormous physical-mechanical performance adds to this stone an added value that allows designers to apply this product in any of their designs without fear of maintenance.

White Onyx has been the product chosen by the most distinguished Architects and Interior Designers in the field of Natural Stone floorings and Luxury Hospitality.
